OUR VISION STATEMENT

We are called to reveal the Light of Christ to the world.

OUR PARISH PRAYER

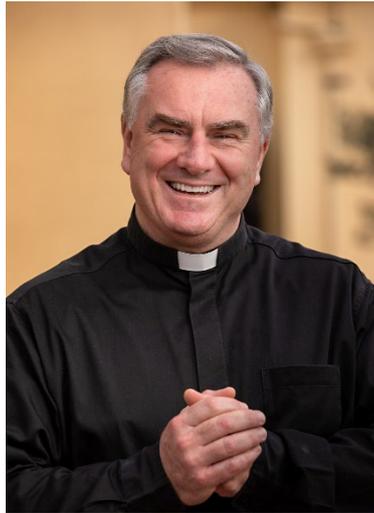

Merciful God,
you have called us out of darkness
into the Light of Christ.
We gather as the parish community of Lumen Christi.
In Baptism, we were consecrated as your children.
In Confirmation, the Spirit of truth
strengthened us to bear witness to your Word.
We are nourished at the table of the Eucharist.
May our gifts always contribute to
building up the Body of Christ.
Help us to reveal Christ's love
to the world through all we say and do.
Amen.

POPE FRANCIS

A MESSAGE FROM THE ADMINISTRATOR

Fr Bernard Gordon

Dear Friends in Christ,

Every year a report is prepared for all parishioners detailing the most important statistics, financial accounts, and activities of our parish. It is an attempt to give a picture of our progress and leads us to reflect on how we still need to move forward.

Thank you for being such a wonderful part of our Catholic life in Lumen Christi Parish. I feel that we have steadied ourselves as a parish and started to grow. All of our four churches often have an increased number of Sunday worshippers. For example, you will note that during the Mass count in November last year our Sunday Mass attendance had grown to an average of 1,065 people (including those who attend Mass in Italian and Vietnamese at St John Vianney Co-Cathedral, Fairy Meadow).

During 2023 we sought comments about what should be included in the Christ in You Pastoral Plan. From the Pastoral Plan Strategic Group a writing group was established consisting of Lisa de Paiva (Pastoral Council Chair), Kathy Uroda (St Brigid's Primary Principal), and Vicki Davidson (now Finance Council Chair) under the guidance of Marie Smith who conducted the reflections of the Strategic Group according to the Appreciative Enquiry method.

Two documents were developed and were distributed after a final short consultation process. The first smaller document - the Pastoral Plan itself - will be printed in an accessible size that can fit into a person's hand and be easily given to someone else for their reflection. It has the five key points of the Plan - Community Life, Worship, Mission, Stewardship, Parish Support - with an appropriate quote from the Letter to the Colossians and a two line description of what each category calls us to do. This first document gives us the compass points (attitudes and main goals) for our parish activities over the next few years.

The second document has a more detailed list of practical goals for each category of the Pastoral Plan to be developed by a group appropriate to each area of activity. The goals are being published in the Bulletin over the Sundays of Lent for all parishioners' reflection and any suggestions that flow from that reflection. These practical goals will help us translate our compass points (attitudes and main goals) into a living service of love and growth.

In Jesus, the Word made flesh who dwells among us, every year is a year of grace and all points of the compass are indications from God to help us know the way. Giving thanks for all the good that was done by so many parishioners - musicians, singers, cantors, catechists, teachers, servers, readers, collectors, charity volunteers, morning tea welcomers, garden workers, and so many more - let us trust in God's goodness and renew our enthusiasm for bearing witness to the love and mercy of Christ.

God bless you all and all your families and loved ones.

Yours in our Lord Jesus,

VERY REV BERNARD L GORDON
VICAR GENERAL & ADMINISTRATOR

A MESSAGE FROM THE GENERAL MANAGER

Kevin Galea

Dear Parishioners,

As we review the close of another year, it is my privilege as the General Manager to present to you the Annual General Report for Lumen Christi Parish.

I am pleased to share that overall, the past year has been one of progress and community engagement. Our parish continues to thrive with the dedicated efforts of our vibrant community of volunteers, who play a crucial role in maintaining the warmth and sense of belonging that defines Lumen Christi Parish.

Our hospitality initiatives have been thriving, creating an environment that is welcoming and inclusive for all parishioners. The spirit of generosity and fellowship that emanates from these efforts is truly heartening.

However, I must address a challenge that we encountered during the year.

Unfortunately, our insurance costs exceeded our initial projections, rising by over 52% compared to the previous year. While we had anticipated some increase, this unexpected spike has put a strain on our financial resources. We assure you that we are diligently working to explore cost-saving measures without compromising the safety and well-being of our parishioners and facilities.

Amidst these challenges, I am pleased to inform you that our Pastoral Plan is well underway. This strategic initiative will guide our actions and decisions in the coming years, ensuring that our parish continues to grow spiritually and serve as a beacon of light in the community.

I extend my deepest gratitude to each and every one of you for your continued support, dedication, and prayers. May the upcoming year be filled with blessings, unity, and prosperity for Lumen Christi Parish.

With every blessing

KEVIN GALEA
GENERAL MANAGER

Fr John Stork is the Wollongong Private and Public Hospital Chaplain. In this capacity, Fr John provides sacraments and spiritual support within our local hospitals.

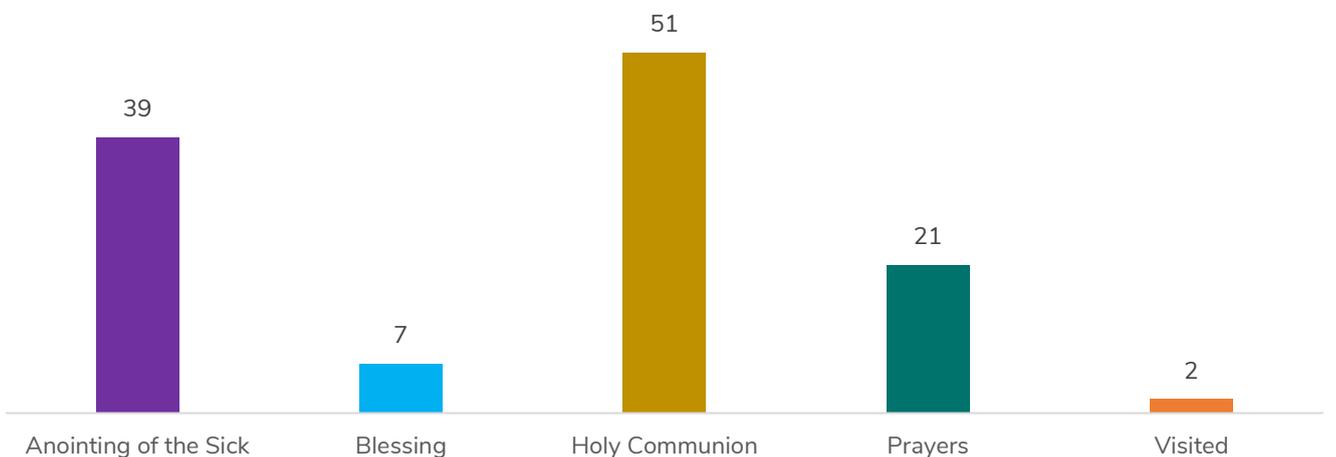

Lay parishioners from our parish also help support the Hospital Chaplain with bedside communion service and prayers for Catholic parishioners from our parish and in our diocese. Our priests and parishioners also assist in ministering to the local aged care facilities, ensuring a continued spiritual presence in these important community spaces.

We are fortunate to have Fr John in this role, and I encourage you to keep Fr John Stork in your prayers as he administers the sacraments in our hospitals.

Lumen Christi Parish Statistics

Parish life is integral to the organisation of Christian worship and life. In our parish we gather to hear the Word of God and celebrate the Sacraments of Christ. The church building stands as a symbol of ourselves as the Body of Christ called to witness to the presence and love of Christ for the salvation of the world.

It is a way of giving thanks for the good work done in the service of others and seeing the present stage of growth of our parish. In 2023 the number of people who celebrated the sacraments was:

SUPPORTING OUR PARISH

Parish collections

A parish is dependent on the generosity of its parishioners to sustain itself and its many charitable and pastoral works. Generally, this support is through two collections at each Sunday Mass.

FIRST COLLECTION FOR THE SUPPORT OF THE CLERGY

Stipend

Health
Insurance

Superannuation

Historically, these have been funds for the parish priest to use as an allowance for his financial livelihood, a stipend (small salary) for the assistant priest(s), and his weekly sustenance. After the Second Vatican Council in the early 1960s dioceses were encouraged to establish a central fund to which the proceeds of each parish's first collection (less their deductions for sustenance needs) was directed and from which stipends were then paid according to an equitable arrangement.

In 1984, a central fund known as the Clergy Remuneration Fund was established.

Today, this fund provides for a priest's:

- Monthly stipend
- Private health insurance
- Superannuation contribution

This fund also provides a co-contribution towards the financial support of a priest who is on light duties due to ill health or who has retired.

If you wish to contribute to this fund, please see page 27.

HOW TO SUPPORT THE FIRST COLLECTION FOR THE CLERGY

1

Placing your donation into the first collection at Mass or dropping your donation into the collection boxes at the doors of our churches

2

You can make deposit directly into the Lumen Christi Parish account.

SECOND COLLECTION FOR OUR PARISH COMMUNITY

Operating
Costs

Building
Debt

Car
Expenses

Parish
Programs

Parish
Staff

Diocesan
Programs

Planned Giving (which comprises envelopes and direct debits) and any loose cash donated at this collection are banked into a parish account which is overseen by your Parish Finance Council. The many costs of running a parish are deducted from this account. Some of the expenses covered include:

- Parish operating costs such as insurance, utilities, telecommunications, general maintenance and upkeep of the church, presbytery, buildings and parish property
- Any loan debt servicing for parish buildings
- Parish pastoral programs
- Parish staff salaries including superannuation
- Car expenses for the priest(s) in the parish
- A Cathedraticum (contribution) to the Bishop towards the costs of running the Diocese (10%) of the collection revenue.

The Envelope Collection is part of the Parish Plan Giving Programme whereby a family chooses to take a set of envelopes for the year, marked with the date for each week, and decides on an agreed amount they will contribute. You can request a set of planned giving envelopes by contacting the parish office on 4211 0500 or email wollongong@dow.org.au

If you wish to contribute to this fund, please see page 29.

BEQUEST GIVING

Remembering your faith community in your Will

After providing for family members in your Will, have you ever considered leaving a bequest directly to your local parish? This is called a legacy or bequest.

Over the years, many people who have felt a special connection with their local parish have left part of their Estate to be used for the need of the Parish. Like a gift to a charity, a bequest of any amount to the Church is a way of saying “thank you” for the spiritual nurturing provided to you and your family over the years.

Your Parish

Many of us have a special connection to our parish, nurtured by years of faith-sharing, schooling, friendships, and support.

A bequest to your parish, no matter how small, will help the faith community which has meant so much to you to continue its good works and its loving outreach. It is also a means by which you can plan a lasting gift for your parish which might not be possible in your lifetime.

In receiving a bequest, a parish may be able to use the gift to attend to much-needed maintenance and improvements to the church and other Parish property or put the gift towards building a new church or refurbishing their existing one. These kinds of gifts help the Parish free up other income to use toward pastoral care programs.

Lumen Christi Catholic Parish

The need for material and spiritual assistance provided by the parish is always growing. One of the many areas of need is to provide financial support in ongoing operational costs such as utility costs, wages for parish staff, and repairs and maintenance of our church buildings.

No matter the size of the gift, a bequest of any kind in your Will can make a significant difference.

Your Gift

The following are some examples of how a bequest may be given:

- A Specific Bequest: a detailed gift, for example, an item of property, shares, or an insurance policy

- Percentage of your Estate: nominating a set percentage of your Estate for your chosen beneficiaries
- Residuary Bequest: nominating a beneficiary to receive any leftover monies from your Estate
- Whole Estate: nominating your entire Estate for your chosen beneficiary

Would you like to know more?

If you would like to know more about how to remember your Parish in your Will, please contact the parish office on (02) 4211 0500 or email wollongong@dow.org.au. You can be assured that all enquiries are treated in the strictest confidence.
